

## Caveats for 2008 Year 12 results

These caveats reflect differences in rules and definitions for reporting on senior secondary certificates in the various states and territories. More detailed information is available on the [Australasian Curriculum, Assessment and Certification Authorities \(ACACA\)](http://www.acara.edu.au) website.

Senior secondary measures	
<b>Senior secondary certificate awarded</b>	The number of students for each school who left at the end of the specified year having fulfilled the requirements for a senior secondary certificate issued by a Board of Studies in the relevant state or territory.
<b>Completed senior secondary school</b>	The number of students for each school who left at the end of the specified year having completed the equivalent of two or more years post Year 10 studies (not necessarily full-time nor consecutive) who are eligible for a statement of results, or a record of achievements.

New South Wales <sup>2</sup>	
<b>Senior secondary certificate awarded</b>	Students awarded the NSW Higher School Certificate in the specified year and who did not have an enrolment the following year at the same school.
<b>Completed senior secondary school</b>	Students awarded any Year 12 credential in the specified year (Record of Achievement or Higher School Certificate) and who did not have an enrolment the following year at the same school. A Record of Achievement is awarded for the completion of one or more courses in Year 12.

Victoria	
<b>Senior secondary certificate awarded</b>	For Victorian Schools, these are students who have completed either a Victorian Certificate of Education (VCE) and/or Victorian Certificate of Applied Learning (VCAL) at the intermediate and/or senior level(s).
<b>Completed senior secondary school</b>	For Victorian Schools, these are students who were eligible to complete a Victorian Certificate of Education (VCE) and/or Victorian Certificate of Applied Learning (VCAL) at the intermediate and/or senior level(s).

Queensland <sup>1</sup>	
<b>Senior secondary certificate awarded</b>	Incorporates all students including international, fee paying and visa students. This measure represents students who left school at the end of the specified year having completed Year 12 or equivalent. These students received a Queensland Certificate of Education (QCE) or Queensland Certificate of Individual Achievement (QCIA).
<b>Completed senior secondary school</b>	The measure incorporates all students including international, fee paying and visa students. This represents school-aged students who left school at the end of the specified year having completed Year 12 or equivalent. Students received a Senior Statement.

## South Australia <sup>2</sup>

<b>Senior secondary certificate awarded</b>	This measure includes those students who had an enrolment in the specified year. These students may or may not have returned to study in the following year.
<b>Completed senior secondary school</b>	This measure includes those students who had an enrolment in the specified year but no enrolment in the following year. These students did not undertake any further SACE study in the following year.

## Western Australia <sup>1</sup>

<b>Senior secondary certificate awarded</b>	The measure represents the number of Year 12 students who left school at the end of the specified year and who had completed the requirements of the Western Australian Certificate of Education. It does not include international, full fee paying or mature aged students.
<b>Completed senior secondary school</b>	The measure represents the number of full time Year 12 students who left school at the end of the specified year, completed 2 years of study post year 10 and who received a final statement of results. It does not include international, full fee paying or mature aged students.
